By our signatures, we acknowledge the contents of the Student/Parent Handbook and Laptop Acceptable Use Policy.

We have read the St. Thomas More High School Parent/Student Handbook for the 2022-2023 school year. We have spoken to the school administration to clarify any confusion regarding policies and procedures contained within the handbook.

We agree to work with the faculty, staff, and administration to provide a safe, nurturing and educational environment for all St. Thomas More High School students. For that reason, we agree that it is our responsibility to know and adhere to the school policies and procedures as outlined in this handbook.

We acknowledge that the contents of the Parent/Student Handbook are subject to the interpretation of the St. Thomas More High School administration and that all decisions made by the school administration with regard to this handbook, its contents, and its enforcement will be considered final.

I have read, understand, and will abide by the 2022-2023 Laptop Acceptable Use Policy as printed in the Parent/Student Handbook. I further understand that any violation is unethical and may result in the loss of my network and/or laptop privileges as well as other disciplinary action.

As the parent or guardian of this student, I have read, reviewed, and discussed the 2022-2023 St. Thomas More High School Laptop Acceptable Use Policy with my child. I understand that network access is designed for educational purposes. I recognize that even though the school network has an Internet filter, it may be impossible to entirely restrict access to controversial/inappropriate material.
