Dear St. Thomas More Families,

Students will begin their virtual learning classes tomorrow, Wednesday, March 18, and we want to take this moment to outline what students and families can expect from St. Thomas More during the next two and half weeks.

First, a reminder that students are not to report to the St. Thomas More Campus from Wednesday, March 18 through Friday, April 3. If students forgot any materials at the school, they are to call the main office.

Second, students are to log in daily to Schoology by 10:00 a.m., and following the virtual learning schedule, students will go to their appropriate period class as usual. More information regarding this process and student expectations can be found at [tmore.org/academics](https://tmore.org/academics).

Third, the St. Thomas More Student Services Department sent an email yesterday regarding services for students during this difficult time. While addressing the ongoing registration process, school counselors will be available from 10:00 a.m. to 3:00 p.m. to address student needs as best as possible. Please contact the school counselors by phone, email, or Microsoft Teams. More information can be found at [tmore.org](https://tmore.org).

### **Communication with Families**

Given the rapidly evolving nature of this pandemic and guidance for schools from the Archdiocese of Milwaukee and the state of Wisconsin, we will continue to communicate regularly with families about our plans. For the latest information, please visit [tmore.org](https://tmore.org).

We are asking families, staff, and students for your continued patience and flexibility as we all adapt to this unprecedented situation.

Finally, happy St. Patrick's Day! While this annual holiday will feel a little different this year, it is a reminder to try and smile and laugh, even during difficult times. We want to end with an Irish blessing:

May love and laughter light your days,  
and warm your heart and home.  
May good and faithful friends be yours,  
wherever you may roam.  
May peace and plenty bless your world  
with joy that long endures.  
May all life's passing seasons  
bring the best to you and yours!

Thank you,

Mary McIntosh
