Summer Strength, Speed, and Agility Program

Dear Parent/Guardian,

This is a free summer training program that provides students here at STM with the opportunity to improve strength, improve speed, improve mobility, improve flexibility, improve agility, and prevent injury in order to prepare for their next up-coming sport season or overall health at St. Thomas More High School. The program has Certified Strength and Conditioning Specialists on staff that will ensure that a regular and progressive training program is followed.

To be eligible to participate in this program, your child must:

1. Complete the Assumption of Risk form (on the back of this letter) signed by a parent or guardian granting permission to participate in the program and send it to:
2. Maintain regular attendance. **Regular attendance is very important for your child to become a better overall athlete as a result of this program.**
3. Each student athlete will have a specific program and must follow the program for safety reasons.

All of the above must be agreed to, completed, and turned in before your child will be allowed to participate in the program.

The Summer Strength, Speed, and Agility Program for Incoming Freshmen begins June 20th and ends on August 4th. Incoming freshmen will train on the following days and times:

MONDAYS, TUESDAYS, THURSDAYS: 8:00am – 9:00am

WEDNESDAYS (SPARQ TRAINING – Speed/Plyo/Agility/Reaction/Quickness): 8:30am – 9:45am

*****Note: THERE IS NO TRAINING ON JULY 4TH*****

Students will come and meet in the Strength and Fitness Center at St. Thomas More. Enter through the gym doors and follow the fitness center signs. Your son or daughter must make arrangements for transportation to and from St. Thomas More.

The program will be supervised and run by Coach Jimmy Litscher and Coach Mike Fricke.

If you have any questions, please contact Coach Litscher at the high school via email at: litscherj@tmore.org or by phone at: 414-587-2763
